## Class Descriptions

<b>SERIOUS CYCLE</b>	A Serious way to get into shape. Cycle with intensity to some great music and energetic instructors to lead the ride! Don't forget your water and your towel!!!!!! Check the class schedule for the length of class.
<b>BASIC WEIGHTS / SCULPT</b>	These weight training classes get you warmed up and from there you will use hand held weights as well as Body Bars. These classes will take you from top to bottom with the focus on strengthening and a serious focus on correct form. Join us for a basic and very thorough weight workout.
<b>TOTAL BODY BURN</b>	This is a circuit style class designed to work in intervals, moving from station to station and working between work and rest intervals
<b>CARDIO WEIGHTS</b>	Cardio Weights is a functional fitness class using weights and other equipment (at the discretion on your instructor) with focus on maintaining a good aerobic base throughout the entire workout.
<b>PILATES-MAT</b>	This Pilates class is based on the original design of Joseph Pilates. The class is on the mat, with occasional additions of some standing Pilates exercises. Pilates Mat has a strong focus on proper alignment during these floor exercises. The entire body will work together to develop strength and flexibility.
<b>ZUMBA/ZUMBA TONING</b>	Zumba is a fun and almost old time Latin style dance class. Every person gets to follow along at his/her best ability. The class is designed to increase your cardio as well as improve your overall coordination, and have a great time while you are doing so. There are several different types of Zumba classes; Toning will incorporate conditioning exercises into your Zumba routine.
<b>STRONG* by Zumba</b>	This is a high intensity interval class with a focus on athleticism and conditioning. It takes the name Zumba out of the dance world and into the boot camp world.
<b>TAI CHI</b>	Tai Chi is a gentle form of exercise with a meditative flow, one exercise moves into the next. It is designed to bring very minimal stress to the muscles and joints. All fitness levels can benefit from this different class
<b>M.I.T</b>	Mixed Interval Training in the MIT room, using cardio equipment at high intensity intervals, and weight training intervals.
<b>CORE DE FORCE</b>	This is an MMA inspired workout. Class is a mix of exhilarating boxing, kickboxing, and Muay Thai combinations mixed with fat blasting cardio and bodyweight moves that will help you zero in on stubborn belly fat and will help you carve whole body definition.
<b>YOGA</b>	Different styles of Yoga may be taught at the discretion on the instructor. Check class schedule for length of class, which will be one hour unless otherwise noted.
<b>BOOT CAMP</b>	Boot Camp is a high intensity, functional fitness workout. You will circuit train, moving around from stations, and completing challenging segments as you go
<b>HIIT</b>	High Intensity Interval Training is a class with short and very intense, all out bursts of interval training followed by short intervals of rest
<b>CARDIO&amp;SCULPT</b>	This class is held in the MIT room. The class will alternate between segments of cardio equipment and segments of weight training.
